

Parish registers of Lythe, Co.York: Volume 1 1619-1768.

The registers of Lythe Parish (St Cuthbert's Church) are deposited at the North Yorkshire Records Office in Northallerton. The following transcripts from them were first published by the Yorkshire Parish Register Society (vol 137), and data from most of the Baptism & Marriage records has been added to the IGI database. These are the sources used here.

Un-named infant & stillborn burial entries have mostly been omitted. Anything added by myself (mfwuk@hotmail.com), other than on this page, is enclosed within square brackets [thus].

There is no index of names, use Ctrl + F to search.

The following is from the foreword of YPRS publication mentioned above:
Method of Transcription and Abbreviations.
